Valued Customer,

Thank you for allowing CVR Rentals the opportunity to make your Special Event a great success. We are installing a rigid frame tent structure that involves specific restraint requirements. The manufactures of these tents require rope and stake tie downs. CVR Rentals adheres to these safety requirements in all situations.

You are requesting that we install these tents utilizing an alternative restraint system (Example: Use of water barrels and ropes). CVR Rentals will not guarantee or warranty this type of tie down procedure.

By signing this release form, you acknowledge that **CVR Rentals will not be held liable for any damages to persons or property relating the tent, items under the tent or items and structures attached to the tent or near the tent.**

Thank you for your understanding on this matter.
